CLI Groups, Inc. and Treasure Island Hotel & Casino Win Las Vegas Hospitality Golf Classic Tent Décor Award

(Las Vegas, Nev.) –CLI Groups, Inc., a destination management company based in Las Vegas and Treasure Island Hotel & Casino (TI) won first place for tent décor at the 17th Annual Las Vegas Hospitality Golf Classic held October 2-3, 2008 at Angel Park Golf Club.

"CLI Groups was able to take a simple 400-square-foot tent and recreate the unique and fashionable elements of TI's Christian Audigier The Nightclub," said Don Voss, Vice President of Sales & Marketing for Treasure Island. "They provided excellent communication and execution in order to showcase our brand to our top clients."

The collaboration of red velvet drapes, black ceiling treatments and carpet, and lounge furniture transformed the white plastic tent into a dark intimate party lounge creating the ultimate focal point of the tent recreation of Christian Audigier The Nightclub décor. CLI Groups's production team constructed replica baroque-style mirrors and added tattoo art, provided by TI, to create more of the nightclub ambiance to the atmosphere.

Entertainment was complete with a DJ, go-go dancers, bartender and food and beverage to enhance the nightclub vibe for guests to enjoy.

As many as 36 additional tents were decorated and judged in the competition.
